Meet Exchangite Pamela Johnson!

What is your favorite season, and why? One of the nicest things about my return to Nashville has been Spring. There is just nowhere on earth more beautiful than Middle Tennessee in the Spring with the Bradford Pear, Redbud, Dogwood, Cherry and other blooming trees. It's simply magical!

What does being a member of the Exchange Club mean to you? Being a member of the Exchange Club is a really wonderful way to reconnect with former colleagues; meet and network with leaders in the community; and secure easily accessible, thoughtful information on what is happening in Nashville and how to be a part of it.

Do you have something interesting, fun or educational going on right now? Nothing could be more fun than to have joined a terrific University (Belmont) at a time when its academic rankings have risen significantly in US News & World Report; its men and women's basketball teams have won the right to represent the Atlantic Sun in the NCAA Tournament; and its alumni have grabbed national headlines--one as Miss USA and another as one of eight finalists on American Idol! Where else could that happen?!

Do you have any special interests? I have spent most of my professional career working in the arts and am committed to the contribution they make to our communities and lives. My previous jobs have taken me to all corners of the world and through the art, music, theater, film and dance of these areas I have learned and appreciated the differences between the people and cultures of our world. What began as a vocation, long ago turned into an avocation.

Where were you born and raised? Born in Cape Girardeau, Missouri, moving to West TN a scarce year after. I moved to Nashville after the 5th grade, where I consider what was called "raising" was done!
