Meet Exchangeite, Jay Hoover

What does the Exchange Club mean to you?

The Exchange Club offers me an excellent opportunity to stay in touch with what is happening around our community firsthand from some of the best speakers you will find anywhere. It is a great way for me to meet other professionals in the community with whom I would not normally be able to visit with on a weekly basis. Finally, the Club allows me to share my time, talent and treasure with the many worthwhile charitable organizations the Club supports.

Tell us about your family. Next month, my wife, Kim and I will celebrate our 21st anniversary. Kim and I met in high school and married after her graduation from WKU. We have been blessed with three daughters. Kristi (18) will be graduating next week from Pope John Paul II High School and will be heading to UT Chattanooga to pursue a six year program in Occupational Therapy. Briana (16) is our second teenage driver in the family. She will be a Junior in the fall at Pope John Paul II High School. Erin (14) is the creative child in the family and will be in the 8th grade at Holy Rosary Academy this fall. And, if I don't mention our West Highland White Terrier, Wesley (7), my daughters will berate me.

Where did you grow up/attend school? I spent the first 17 years of my life in a small manufacturing town north of Indianapolis, Indiana. I earned an undergraduate degree in accounting from Western Kentucky University. In the few years that followed WKU I earned the CPA, CFP and PFS designations. And like our governor, I moved to Nashville as quickly as I could which was in 1985.

Have any special hobbies or interests? I have a passion for golf. Hope to see you on the course!

Big sports fan? If so, who do you root for? I am a fair weather Titans fan. It's been a nice break for me from the NFL but I am about ready "to fry up some wings" this fall to cheer on a winning team.
